

Dear Scientist,

Today is Tuesday, January 21 – an ASYNCHRONOUS day in SCIENCE only!

To EARN your grade for today, you **must complete ALL activities** in the ASYNCH Lesson by 2:30 pm!

- To get to the lesson, you will go into the Life Science course
 - Open the ASYNCH Lessons module
 - Open the Tuesday, January 21 ASYNCH Lesson
- Today's Lesson includes the following activities:
 1. **READ 7 Factors that Affect Seed Germination**
 2. **COMPLETE the Pre-TDA What's Sprouting Lab ASY Lesson Ticket**

HOMEWORK: Make sure you:

1. **Continue to collect data** for the What's Sprouting Lab
 - **DUE**: Monday, January 27, 2020
2. **FINISH**, if you did not, the **Unit 5 Common Assessment**
 - **ENDS**: Friday, January 24, 2020

Take your time so you submit your best work!

Dr. Barger
